

After a snowfall, the District Public Works crews work diligently to clear the roads. However, crews are restricted in clearing snow completely due to parked cars, RV's, and additional items placed on the roadside. These obstacles can create time delays and can be hazardous.

We ask that residents help keep the roadways clear to allow the snow clearing crews to do their work safely and efficiently.

Any vehicles or equipment that restrict Public Works crews from performing snow removal will be towed at the owner's expense.

**Thank you for your cooperation  
in the 2022 winter season!**
